Quick guide to activating web and mobile banking

Please have your activation letter, password letter and mobile phone to hand – the set-up process only takes about 3 minutes.

1 Set up the mobile app

1. Download the Founders Bank App

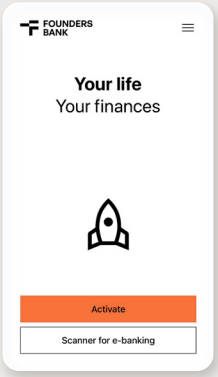

Scan the QR code or download it from the App Store or Google Play

Download on the **App Store**

GET IT ON **Google Play**

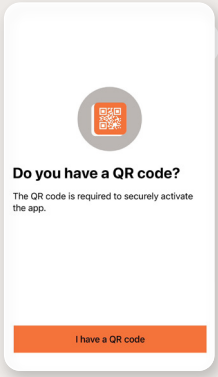

2. Open the app

Open the app and select «Activate»

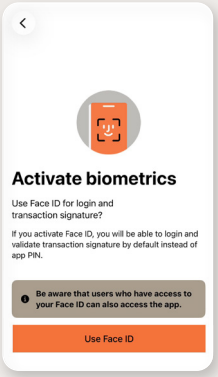

3. Scan the QR code

Scan the QR code from the activation letter

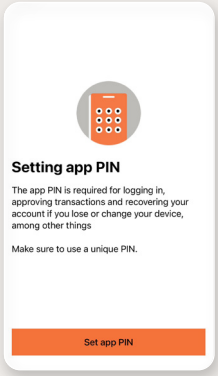

4. Enable biometrics

Enable Face ID or fingerprint recognition

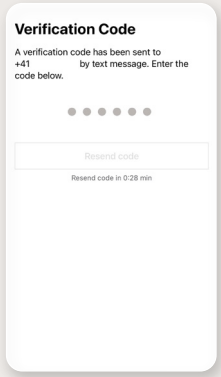

5. Set an app PIN

Enable Face ID or Touch ID

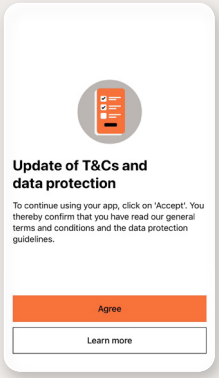

6. Enter SMS code

Enter the SMS verification code to confirm

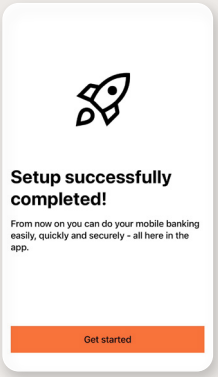

7. Accept the Terms and Conditions

Confirm acceptance of the Terms and Conditions and Privacy Policy

8. Complete the set-up

Mobile banking has been successfully activated

2 Set up online banking

1. Open online banking

Go to https://ebanking.foundersbank.ch

2. Sign in

Log in using your contract number and initial password

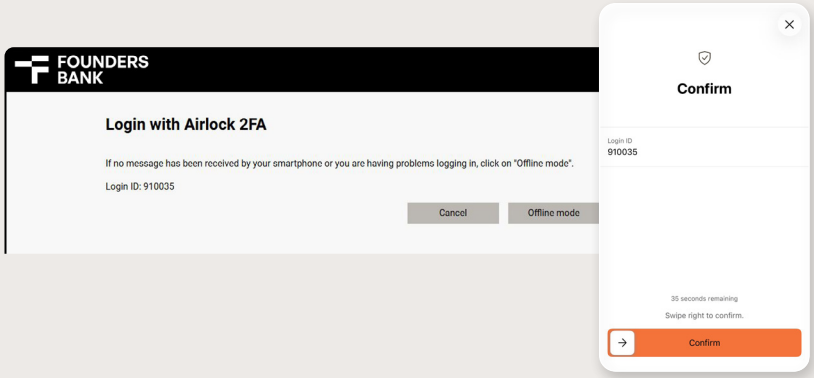

Notes:

— The username is always the contract number from the password letter.
— For your first login, please use the initial password from this letter. You will then be prompted to change your password.

3. Confirm login

Have your mobile app ready and confirm your login

4. Complete set-up

Web Banking successfully activated
